| Rejuvenating Facial This rejuvenating treatment involves applying of the best suited products for your skin type. Added hot towel and steam helps to open the pores allowing thorough cleansing. | \$50 |
| European Facial Relaxing facial with added facial massage. Your skin will feel like new after this treatment. | \$80 |
| Back Facial Facial for your back. Steam and hot towels are utilized for skin cleansing and exfoliation. Recommended prior to wearing open back garment. | \$80 |
| Chemical Peel Specialized peel to help diminish signs of aging or treat a skin condition. Results in fewer lines and wrinkles, more even skin color, brighter complexion and smoother skin. | \$85 and up packages available |
| Microdermabrasion / Diamond Dermabrasion Microdermabrasion works best when performed as a series of treatments - typically six - every 7 to 10 days. After a series of treatments oiliness is decreased, dilated pores are less pronounced, and areas of thick skin are thinner. Fine wrinkles can appear smoother. | \$85 and up packages available |
| Dermaplaning A simple and safe procedure for exfoliating the epidermis and ridding the skin of fine vellus hair (peach fuzz). Dermaplaning is most often used on patients with rough, dry skin, superficial hyperpigmentation, mild acne scarring, or fine lines and wrinkles. The treatment results in a more refined, smooth, "glowing" appearance. | \$90 |
| Silk-Peel Dermalinfusion Skin treatment that delivers immediate results, won't take hours out of your busy schedule, and will leave you with noticeably better skin in under 30 minutes. It is the best procedure offered today. Similar to microdermabrasion, the SilkPeel Dermalinfusion System combines non-invasive exfoliation with deep delivery of patient-specific solutions directly to the skin - without the use of crystal or other chemical exfoliants. The procedure is non-invasive and even soothing; delivering the results you want without harsh chemicals or uncomfortable treatments! | \$185 and up packages available |
| RF Facial Treatment Facial tightening treatment best suited for people with mild to moderate sagging of facial tissues of any skin type. It treats the forehead, under the eyes, cheeks, mid-face, jaw line, and neck. | \$225 and up packages available |
